Paris, Aug. 5.—Dr. Alex Carrel of the Rockefeller Institute of Medical Research, and Or. Henry D. Dakin of the Lister Institute have discovered after exhaustive experiments at the Compeigne military hospital, what they claim to be the ideal antiseptic. The most powerful antiseptic known to science is hypochlorite of lime, but its use is injurious to the tissues, owing to its acidity and it does not keep. Doctors Dakin and Carrel have found these two defects are remedied respectively by the addition of carbonate of lime and boric acid.

Wonderful results have been obtained with the new antiseptic and if applied in time it is said to make infection in wounds henceforth impossible.

Story of the Crime. The murder of Rev. Joseph Zebris pastor of St. Andrew's Lithuanian Roman Catholic church at New Britain and his housekeeper, Miss Iva Gilman-aitis, for which Bernard Montvid was condemned to be hanged, occurred on the night of February 8 last. The priest was shot to death in a room on the first floor of the parochial resi-dence and the woman was found strangled in an upper room of the ouse. Robbery was said to have een the motive for the crimes,

Said He Was Only an Accomplice. Montvid asserted that he was only an accomplice, the real murderer, he said, being Peter Krakas, who was executed at Wilmington, Del., some time ago for shooting a policeman to death there,

It was only after the arrest of Krakas and Montvid at Wilmington, that their connection with the New Police and Rosame known Follows. Montvid asserted that he was only Britain crimes became known,

lowing their arrest Krakas said he shot the policeman because he thought they were trying to arrest him and port with additional marines his companion for the New Britain au-thorities. After the execution of Krakas, Montvid was brought back to of RESOLUTE DEFEATED connecticut, tried for and convic the murder of the priest and his housekeeper.

No "Red Hand" Organization A few hours before his death Mont organization was with the crimes. Previously both Kra-kas and Montvid had asserted in verbal and written statements that such an organization was behind the mur-ders and gave the names of several persons, they claimed were connected with the society. Montvid, in his last declaration, repudiated these statements and said that Krakas and he no such organization, referred to above, existed.
